

Durham County Green Building and Solar Tour October 3rd, 2009

The sixth annual Green Building and Solar Tour will occur in Durham County on October 3rd, 2009.

The economic benefits of going solar have never been better. Learn how friends and neighbors are slashing utility bills, reaping rich cash incentives and big new tax credits by going solar by joining Clean Energy Durham for the sixth annual Durham County tour, in association with NCSEA and ASES, part of the largest grassroots solar event in the U.S. Become a volunteer or showcase your own solar home or business. Details at <http://durhamsolartour.com>, via email at info@durhamsolartour.com, or call 919 386 0430. Learn about the national event at www.nationalsolartour.org.
